THE 39 STEPS

PIMLICO PERFORMING ARTS, 55-77 FULHAM RD
24 - 27 JULY, 7:30PM | 27 JULY, 2PM

The 39 Steps is a parody adapted from the 1915 novel by John Buchan and the 1935 film by Alfred Hitchcock. The play's concept calls for the entirety of the 1935 adventure film The 39 Steps to be performed with a cast of only four (five in TLT's production). Thus the film's serious spy story is played mainly for laughs, and the script is full of allusions to (and puns on the titles of) other Alfred Hitchcock films including Strangers on a Train, Rear Window, Psycho, Vertigo and North by Northwest.

Courtesy of Amalgamated Films & Madman Entertainment.

The fascinating story of Russia's anarchic feminist icons. Filmed over the course of six months, this film tells the incredible story of three young women: Nadia, Masha and Katia; members of the feminist art collective Pussy Riot who performed a 40 second "punk prayer" inside Russia's main cathedral. This performance led to their arrest and culminated in a trial that has reverberated around the world. From their family and friends, we learn what transformed these political activists into modern day icons that have cultivated a protest movement across the globe.
